#### OUR FOOD

Chef Yoshiyuki set upon creating a dining experience to showcase the finest ingredients of each season.

Food served at YOSHI is not just a dish but a celebration of each season. Using only the freshest seasonal ingredients available in Japan's Toyosu market, Chef Yoshiyuki is a master of preparing the ingredients to accentuate their natural flavours in a "Kyo-Ryori" style.

At YOSHI, you can choose to enjoy either Yoshi san's Omakase or a themed menu based on a key ingredient. Whichever your choice, it will be a meal featuring Chef Yoshiyuki's steadfast commitment to seasonal and quality ingredients, natural flavours, and Japanese omotenashi, ensuring an authentic Kyoto dining experience in the heart of Singapore!

## MAGURO MENU

Tuna, or maguro, is the most popular fish in Japan. In Japan's markets, the best cuts of maguro are usually kept aside for trusted regular customers. Our tuna comes from renown Tuna King, Yukitaka Yamaguchi.
